Dear Members,

Your club is planning an Exhibition of Antiques and Old Objects of General or Historical interest that may be in the collection of the members.

The items could be old books, manuscripts, letters of distinguished personalities, small to medium sized objects d'art such as statuettes and miniature paintings, other memorabilia such as old or rare coins, old typewriters, rotary phones, portable record players or similar such items. The list is illustrative and not exhaustive.

The aim is to showcase the trove of collectibles that some of our members possess, and for others to share in the beauty and joy of viewing them. Efforts will be there to display them elegantly and professionally with appropriate respect that such items deserve. Detail planning will be done and shared with the participants depending on response of the members on such initiative.

If you have any article of such interest and wished to participate please mail us by 31st July 2018 with brief particulars of such items and if possible with a photograph at ceo@thebengalclub.com. You can also drop in a closed envelope at the club reception addressed to CEO marking the envelope "ANTIQUE".

This event will only be possible with the support and generosity of members. I will sincerely request you to come forward and make this event a resounding success so that it becomes the first of many more to come in future!

Cordially yours,
