Dear Members,

Hope this letter finds you and your family well. I wanted to take this opportunity to update you on the developments of your Sports Lounge.

The first Billiards/Snooker Workshop was held between the 20th to 26th August 2018. Members who participated in the Workshop were ~ Mr Indranil Biswas, Mr BB Chatterjee, Dr AK DasBiswas, Mr Abhijit Ghatak, Mr Devabrata Kar, Mr Kaushik Poddar, Ms Tanaya Sengupta and Mrs Ruma Sen. I hope all of them found the sessions interesting and motivating to continue with this sport thereafter.

Going by requests from other Members, we now propose to have the Second Billiards/Snooker Workshop from 14th to 20th September, 2018. Mr Debasish Mukhopadhyay, with over 20 years of experience in the National Championships will be conducting the same. The fee for this Workshop has been fixed at ₹ 1,000/- per head. Beginners are encouraged to participate. If you are interested please enroll your name at the Reception.

We are also planning to commence a Chess Workshop. We are in discussions both with Grand Master Dibyendu Barua and his Academy as well as with The Alekhine Chess Club. Details once confirmed will be shared with all of you. Your Sports Lounge would be introducing Table Tennis and Carrom soon and we do hope over time we will be able to organize an intra-club indoor sports event for our Members. The Cards room now hosts a Bridge Tournament every first Saturday of the month and the last one was held on 1st September 2018. All those interested in participating in this friendly tournament can enlist their names at the Reception.

The Air conditioned verandah at your Sports Lounge is also available for small get-togethers where you can order your tea, coffee, drinks and snacks and indulge in an engaging 'adda session'. So please feel free to use this lounge in addition to other venues in the club that all of you already patronize.

We would love to see you frequent the Sports Lounge more often and hope that with your support and engagement it will become a happening venue in time to come.

With Best Wishes,
