President

Bengal Club  
Founded 1827

16 January 2019

To All Members

Dear Member,

This is to inform you that Mr Sutanu Ghosh, Committee Member and erstwhile Chairman of our Heritage & Preservation Sub-committee has resigned from the Committee with effect from December 28, 2018.

Dr (Ms) Nandini Ray, an eminent Ophthalmologist will join us in the Main Committee from January 25, 2019. She will look after the same portfolio.

Best Wishes,

A handwritten signature in black ink, appearing to read 'Tapas Raychaudhury', with a horizontal line underneath the name.

Encl: A brief C.V. of Dr Nandini Ray

## **BRIEF CV OF DR NANDINI RAY**

Dr Nandani Ray graduated from Calcutta Medical College in 1984 and went to U.K. in 1988 after completing the Fellowship of the Royal College of Ophthalmologists, London, she went through extensive training in various hospitals in U.K. She returned to Calcutta in January 1996 and has been practising in the Fortis group of hospitals as Senior Consultant Ophthalmologist. She is also the Director and proprietor of Radiant Eye Foundation. She is a specialist in cataract surgery with 'Advanced Technology' IOLs having done the first multifocal lens implant for spectacle independence in 2005 in West Bengal.

She has performed more than 15000 phaco surgeries and has recently been certified by Johnson and Johnson USA as a Femto laser cataract surgeon.

One of her areas of interest is making of surgical videos on techniques in the management of complicated cataract surgery and since 2010-2018 her videos have been selected amongst the top 20 world wide at the prestigious European Cataract Society conferences four times at Paris 2010, Vienna 2011, Milan 2012 and Vienna 2018. She has also won the 'Aparajita' award in health Care by Jurors Choice in 2012.

She is a Rotarian since 1996 (a Paul Harris Fellow) and at present is a member of Rotary Club of Calcutta (main). She is also a member of the Ladies Study Group and married to Dr Abhrajit Ray, a consultant Physician and Rheumatologist. They have two children, daughter Meenakshi 25 a dental surgeon and Abhishek 21 studying MBBS at SRMC Chennai.

She enjoys travelling, western music, cooking and watching movies.
