Dear Members,

A few days back, I had communicated to you about the Club's Entertainment schedule of events till end July 2019. I take this opportunity to now inform you about the forthcoming Sports Activities of the Club.

Our **Sports Lounge** was inaugurated in June 2018. I understand that our members and their guests are enjoying the facilities available there like Billiards/Snooker, Cards, Chess and Darts.

With the positive response to our two earlier Billiards/Snooker workshops, we will now be organizing the third Billiards/Snooker workshop shortly and a separate communication will be sent to you to enable you to block your dates and avail this opportunity in case you have missed the earlier ones.

We are planning a host of sports and other interesting activities for you and I am sharing the tentative dates for the same to enable you to plan and participate in them. They are as follows:

We look forward to your participation in the above activities and in making them a success.

Finally, I would also like to reiterate that the Sports Lounge is also an area where you can relax and enjoy moments with your family and guests. Snacks and drinks are available there against your order and use of laptops is also permissible should you need to do so. And most importantly the dress code for is more relaxed where we allow jeans, collared tee shirts and sneakers.

With Best Wishes,
